*Happy Hour Meet & Greet  
for Potential Members*

Do you work for a company that could benefit from being an ASA Central PA Member? Are you curious about the organization? Are you wondering 'what's in it for me?'

You'll get to know more about ASA, who our members are and meet our Executive Director, Board of Directors and Membership Committee. You'll hear more about the many benefits of ASA membership, upcoming events and programs and how ASA fights exclusively for the rights of subcontractors. Meet A.P. Williams staff, learn more about their upcoming projects, and hear more about their affiliation with ASA Central PA while enjoying complimentary hors d'oeuvres and drinks.

**Are you already an ASA Member but would like to attend?**

Please share this information with non-members and register yourself and your referral now!

This free event is for non-members and current ASA members. We ask that members bring at least one non-member guest along (must be affiliated with different company than the existing member).
