ASACP is affiliated with the American Subcontractors, Inc. and is part of a nationwide network of local and state chapters representing the single voice of all subcontractors, specialty trade contractors and suppliers in the construction industry.

We are the ONLY organization dedicated exclusively to the business issues affecting subcontractors, who perform more than 85% of the work on all commercial construction, in both the public and private sectors.

ASACP provides information, resources and contacts to help you run your business more profitably. In Pennsylvania, we're your advocates, working every day to protect your interests and promote fair business practices throughout the construction industry.

Our Mission

To improve the profitability of construction subcontractors, specialty trade contractors and suppliers by offering educational programs, governmental advocacy and member benefit programs and networking opportunities.

Our Vision

To be recognized as an industry leader and a united voice in supporting the rights and beliefs of all subcontractors. We are dedicated to improving the business climate in the subcontractor community.

Membership Eligibility

Regular Member - Regular membership is open to all subcontractors, specialty trade contractors and suppliers of materials to the construction industry whether those firms are union or non-union companies. Regular members are entitled to full voting rights on all association issues.

Associate Member - Associate memberships are open to those firms who service the construction industry by providing business services to the construction industry. Associate members, like regular members, are entitled to full voting rights on all association issues.

Industry Partners Council - IPC memberships are open to general contractors, construction managers and architects. IPC members do not have voting rights on association issues.
